

EDITORIAL

This is the phase when exams are being conducted at all levels for students and each student has a different level of anxiety and stress going on, while this is an expected challenge, it is all about how one handles this situation, if one can handle this phase in the right manner then this not only enables the student to face the academic examinations but also face the future challenges life has to offer.

Parents and elders of the family are advised to create a congenial atmosphere for study so that the students feel

relaxed while preparing, no doubt studies are important, it is also advisable to listen to some music or play an outdoor sport for an hour or so in the morning so that the body and mind feel active. Students are advised to be regular in classes and maintain the best possible attendance record. Studying from the beginning of the academic year always helps since piling up all the essential for the final stages would not be that effective, but with proper planning, reference to old question papers and focusing on the right concepts, the exam fever can be overcome easily and good scores can be achieved.

Good Luck for Exams

CA Kamal Mehta

Renowned Finance Expert & Chairman, JNU

JNU CELEBRATED WORLD HEALTH DAY

Jodhpur Dental College General Hospital & Jodhpur Medical College Hospital organized a rally for awareness and prevention of diseases caused by High Blood Pressure. The rally was initiated from Fateh Pol by Mr. Vipul Chaturvedi (Deputy Commissioner, Traffic), Mr. Nyaz Mohamad (Deputy Mayor) & Mr. Kamal Mehta (Chairman, JNU). Students of Public Health Dentistry Department performed Street Plays on Several Locations of interior City of Jodhpur, along with loud slogans of awareness. It went beyond words to bring out dimensions that build a direct connect with people. The medium itself was significant as it deals with people and their lives. This programme received tremendous support from community.

This Rally was warmly welcomed by Dr. Achleshwar Vyas of Youth Welfare Society & Mr. Krishna Vyas along with Mr. Shivdutt Vyas and other Senior Officials of Jodhpur Nagrik Sahkari Bank, Mandi Branch.

Dr. Kumar Gaurav Chhabra & Dr. Ashish Sharma from Public Health Dentistry Department at JNU actively participated to make this event a success.

This special occasion was marked by the august presence of officials of University Dr. D.R. Mathur (Principal & Controller-JMCH), Mr. Shailendra Maheshwari, Dr. B.R. Vyas, Dr. Vijay Balani, Dr. Sumita Kaswan and Mr. Bhupesh Advani.

A Quiz Competition was also organized on the occasion at JNU Campus for students of Jodhpur Dental College General Hospital,

as part of 3 days long celebrations. Vice Principal Dr. Sumita Kaswan briefed that Quiz was divided into 4 segments that included Dumb Charades in the primary elimination followed by Drawing Round, Audio Visual Round and Health Awareness Round.

The competition ended in an interesting Tie between Ist & IInd Year Students as Joint Winners. Dr. Rajni Dable & Dr. Siddharth Narula were members of Judging Committee.

FACULTY OF EDUCATION

In order to succeed, your desire for success should be greater than your fear. - Bill Cosby

The Graduate Aptitude Test in Engineering (GATE) is an all India examination that primarily tests the comprehensive understanding of various undergraduate subjects in Engineering and Technology. The GATE Score of a candidate reflects the relative performance level of a candidate. The score is used for admissions to various post-graduate programmes (e.g. M.E., M.Tech, and direct Ph.D.) in Indian higher education institutes with financial assistance provided by MHRD and other Government agencies. The score may also be used by Public Sector Units for employment screening purposes.

The 2013 GATE examination was conducted by IIT Bombay

It is a

Sumit Paliwal
Student (CSE)
Jodhpur National University

matter of great pride for Jodhpur National University that Sumit Kumar Paliwal of JNU secured the 470th position from among 1200738 candidates who appeared for the examination in 2013.

WORKSHOP AT JNU ON BIOMEDICAL WASTE MANAGEMENT & POST EXPOSURE PROPHYLAXIS

The objective of this two day workshop was to train the health care professionals on basic guidelines of Waste Management & Post Exposure Prophylaxis, which in turn will protect health care workers, service staff, waste

haulers, and the general public from risks associated with potentially infectious biomedical waste. Participants were Public Health Practitioners, Physicians, Interns, Dentists, Nurses and other Health Care Professionals. A blend

of teaching methods were used by the faculties Dr. Kartiken & Dr. Priyakant being representatives from World Health Organization (WHO). All Participants were awarded certificates by Dr. D.R. Mathur

(Principal & Controller, Jodhpur Medical College Hospital) as Chief Guest for Closing Ceremony of Workshop.

EXPERTS Welcomed at JNU

Mr. Debasish Biswas (Vice President, Star TV Group)

Star India (Group company of News Corporation, USA) has embarked on an educational & skill development project to facilitate employability in a joint collaboration with first self financed university of western Rajasthan, Jodhpur National University.

Star group has initiated new programmes that will connect, educate and inform college-aged individuals and young professionals about the employment and educational resources in India. These Training programmes will be conducted nationwide with the collaboration of one of the finest educational institutes in the country.

Mr. Kamal Mehta (Chairman, JNU) on the occasion said " I find this collaboration exciting, such type of unique tools of learning generate curiosity for learning and provide a broader platform of exchange of ideas and information within the students." In Rajasthan these programmes will be conducted in collaboration of JNU, Jodhpur and will Enhance the quality and accessibility of higher education through the use television.

Total 400 students from all the faculties of JNU will be selected to attend the training programmes directly at JNU. These interactive training sessions will be conducted by experts appointed by Star group.
