

"Mega Job Fair- 2013" at Jodhpur National University (JNU)

"DREAM ENDURANCE-5" the Mega Job Fair 2013 organized by Jodhpur National University was inaugurated by **Mr. Sushil Kumar Agarwal** (Chief Financial Officer & Director, Aditya Birla Nuvo Ltd.)

The inauguration ceremony comprised the ceremonial cutting of the ribbon and lighting the lamp in obeisance to Goddess Saraswati. by the Chief Guest and Hon'ble President Prof.(Dr.)V P Gupta, President Jodhpur National University..

Speaking on the occasion Mr. Sushil Kumar Agarwal laid stress on the importance of Soft Skills for Engineers and MBAs .He referred to the crucial "soft" skills - leadership, teamwork, communication,

and the ability to think "outside the box" of a discipline - that separate the best from the rest in the management world."

He added that companies in India are finding that they have to promote people faster than ever before to meet their growth needs. At the same time, they are finding that the candidates do not have the necessary skills to make the transition from a technical or functional specialist to a team leader, supervisor or manager. Companies in different industries have found that their people need soft skills to work effectively in cross-functional or project teams, local teams or global teams.

"Making India Employable" – CA Kamal Mehta

CA Kamal Mehta

Finance Expert & Chairman, JNU

At JNU, we believe in building foundation on a wide base of knowledge, which includes the elements of professional, subjective, practical and spiritual base. We believe that in today's competitive and fast changing environment, it is time of complete knowledge.

It is a passion shared equally by our faculty, students, corporate sponsors and alumni.

Knowledge and continuous learning is the mainstay amongst the best organizations of today. In keeping with this requirement, we have designed programmes that equip the future managers of tomorrow with learning, skills and competencies that set them apart.

I feel privileged to invite corporate organizations to JNU and welcome them to participate in the placement process this year.

For my students I would like to say "In the fight between wave & rock on seashore, wave always wins not through the strength but through persistence. So don't do what is convenient, do what is right, keep eyes on the horizon, not just on the bottom lines. Your accomplishments will depend upon your efforts. Hence, be steady and go forward without fear."

Let us together strive to elevate JNU from good to great !

MEDICAL & DENTAL HEALTH CAMPS

Service to Mankind

Free medical camps are conducted at various places of western Rajasthan in which needy people are given free medical advice and medicines by a team of expert doctors belonging to Jodhpur Medical College Hospital (JMCH).

MOBILE DENTAL BUS
of Jodhpur Dental College General Hospital on Roads

Public Health Dentistry Department under Jodhpur Dental College General Hospital of Jodhpur National University, JNU has started a very special Mobile Dental Bus having facility of two fully equipped ultra modern dental chairs.

The Mobile Dental Bus was ceremoniously inaugurated by Mr. Kamal Mehta (Chairman, JNU). He on the occasion expressed that this Mobile unit is being introduced so as to serve the mankind and make dental treatment easily available at remote & unrepresented areas, especially villages where dental awareness is almost negligible. The objective of providing dental awareness will be achieved by organising camps from time to time.

Dr. Sumita Kaswan (Vice-Principal, Jodhpur Dental College) expressed that that this mobile bus would surely succeed in the mission for prevention and promotion of treatment of oral diseases especially for rural population.

This special occasion was marked by the august presence of officials of University Dr. D.R. Mathur (Principal & Controller-JMCH), Mr. Shailendra Maheshwari, Prof. S.P.C. Bhandari, Dr. B.R. Vyas, Dr. Vijay Balani, Dr. P.K. Dey, and Mr. Bhupesh Advani.

A Street Play to mark the launch of the AIDS day, was staged by students of Public Health Dentistry Department of Jodhpur Dental General Hospital at JNU. The play also spelled ways to fight HIV if one gets the infection. It went beyond words to bring out dimensions that builds a direct connect with people. The medium itself was significant as it deals with people and their lives. This programme received tremendous support from community. Posters about Aids awareness were stuck to more than 200 buses at the bus stand. The project was aimed at creating a workforce that is empowered, sensitized and aware of HIV/AIDS in every respect so that they become key contributors towards spreading awareness about this dreaded pandemic within the larger community.

Education with Strongest Industry Interface

Educational Tours for JNU students

JNU ensures constant students' interaction with best professionals & leaders in their respective fields. For this, University organizes industrial visits. Provides an opportunity to the students to have first hand practical exposure and helps relate the conceptual and analytical skills acquired in the classroom to actual practices wherein students make a group-visit to organizations of regional, national and international importance. During these visits, face-to-face discussions take place with senior officers. Students get an opportunity to interact with critical strategic and operational issues around that organizations face in day to day working.
